Dear Mr. Aubrey:

On behalf of "Mountain Health & Community Services", Board, and Staff, we would like to extend our appreciation for the recent Core Team Training our organization received from CTRG.

The Core Team Training has laid the foundation for open communication throughout our organization. With our current expansion plans in process, MHCS plans to use these training techniques with all and any future employees.

Again, Thank you and best wishes to the success of CTRG!

Sincerely,

Judith Shaplin  
Chief Executive Officer
